

Women of Strength Tribute Form

The YWCA offers the opportunity to honor a woman (living or deceased) who has impacted your life in a positive way. Women who are honored will receive a "Women of Strength" bookmark and her name in the Women of Persimmon event program.* If the woman you honor has passed away, the gift can be sent to another person you indicate. Each \$25 tribute will support YWCA programs empowering women and girls. To honor more than one woman, please attach additional paper.
